

Toy Drive for Delaware's Foster Children

Below are some suggestions and ideas for gifts to purchase for the children in foster care that we serve in our community. All toys are appreciated, however it would be helpful to have toys for babies, teens, and school aged children, as these groups are often in short supply. These are just suggestions - If you think an item will be something that they will love, feel free to purchase it - all are welcomed!

We appreciate your contribution & kindness in placing a smile on a child's face this holiday season!
